SUPPORT

Please contact us if you have any comments, suggestions or questions regarding this cart at:

support@soundcart.audio
www.facebook.com/soundcart
www.instagram.com/soundcart

Warranty
SOUNDCART.audio extends a limited one-year parts and labour warranty to all owners of this accessory from the date of original purchase. SOUNDCART.audio warrants this accessory to be free of defective material and workmanship for a period of one year from the original date of purchase and agrees to repair or replace such defective part(s) or the entire product at its option, provided it is returned to SOUNDCART.audio. Shipping and insurance costs to SOUNDCART.audio must be prepaid by the owner.

This warranty does not cover damage due to accident, abuse or misuse, careless handling, improper connection and/or installation, improper electrical contact or grounding. This warranty does not cover damage due to improper use or force being applied. This warranty will be null and void in the event of service or repair work not performed by SOUNDCART.audio or an authorised agent, failure to properly maintain this accessory or continued use after a defect becomes apparent. Proof of purchase date (copy of invoice) must be provided prior to any warranty service or repair work being performed.

This warranty is in lieu of any other warranty, expressed or implied, including warranties without limitation, products being merchantable at the time of purchase or suitable for a particular purpose. This warranty does not extend to, or include consequential damage. SOUNDCART.audio reserves the right to change the specifications of this accessory without any prior notification.

Legal Notices
This document is protected under copyright law. Owner's of this product may reproduce this publication for their own personal use. This document may not be reproduced or distributed, in whole or in part, for commercial purposes (which includes selling copies).

Great care has been taken in preparing this document for publication, however since product specifications are subject to change, this document may contain omissions and technical or typographical inaccuracies. The information provided in this manual only serves general information purposes, it may be subject to change at any time without prior notice to improve reliability, function, design or otherwise.

Governing Law
This agreement and limited warranty are governed by the laws of the United Kingdom

MAINTENANCE

To ensure your cart remains in tip top condition, it is recommended that you periodically check and tighten all the bolts (both visible and concealed using the supplied tools) as well as grease any casters and bearings.

WORK YOUR WAY

The modular design of this cart means it can fit *your* workflow. Here are some ideas;

Includes; SC-BOOMC

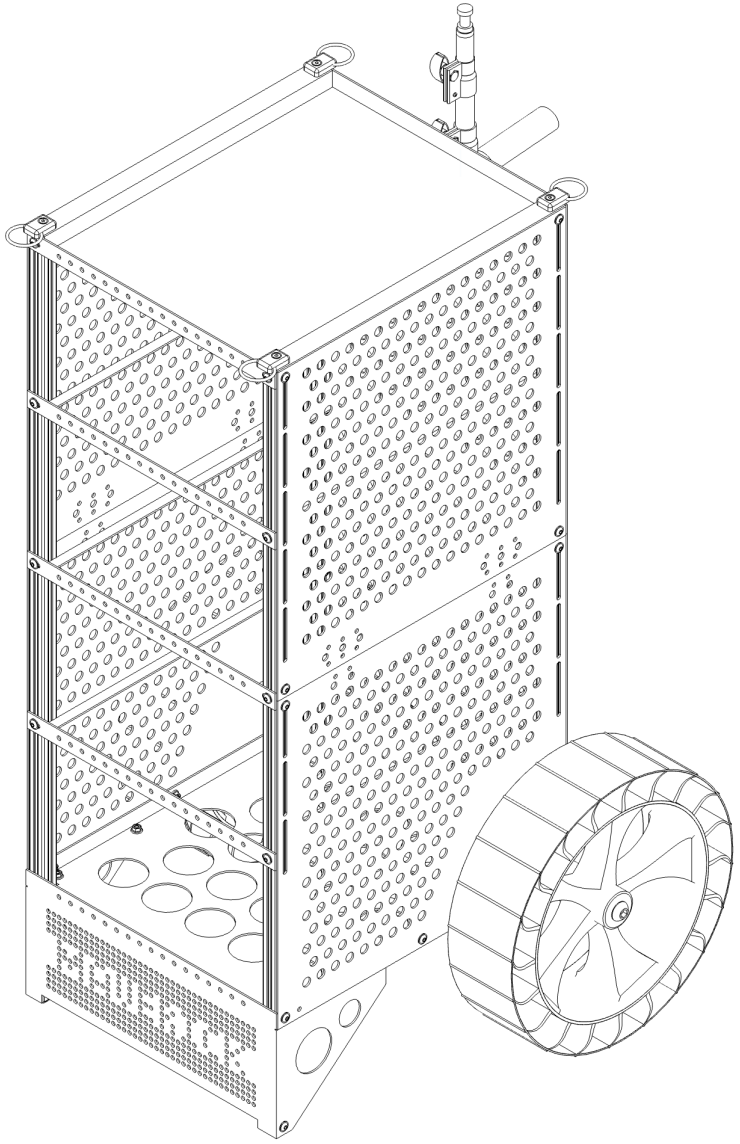

Includes; SC-SSHLF

SC-MAVRK

Includes; SC-ATRW

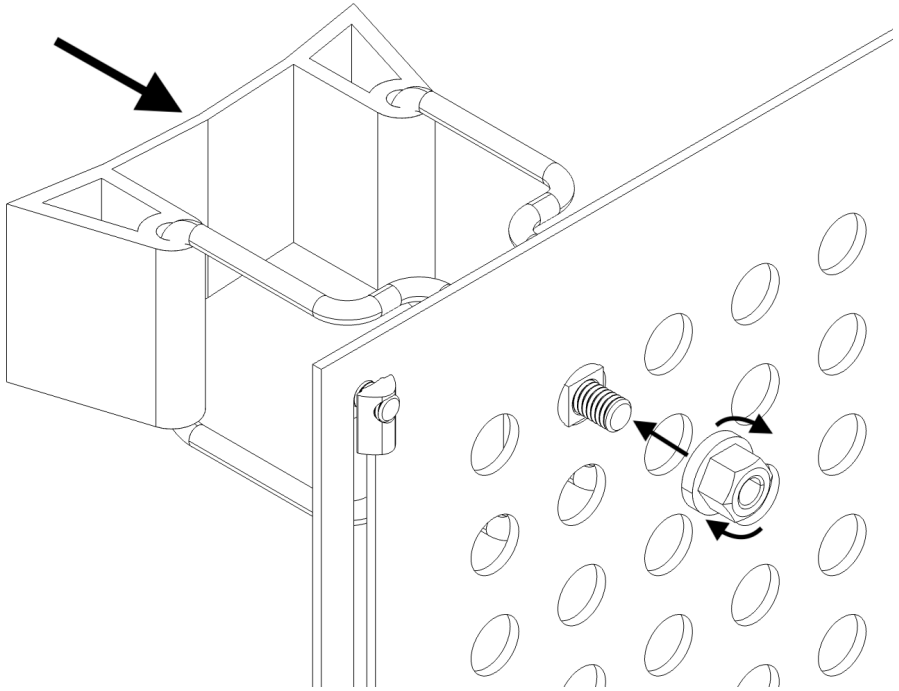

INSTALLING ACCESSORIES

Installing accessories to your Maverick couldn't be easier. The holes in the rear and side panels of the Maverick can be used to mount your accessories offering almost limitless combinations!

Simply insert the bolt threads of your accessory into the holes and use the M6 flanged nuts supplied with your Maverick (SC-MAVRK.024) to secure them as shown below.

If you change your mind and wish to move them it is both quick and easy to do.

SC-MAVRK

STORAGE CONTAINERS

Having built your Maverick cart, simply add your choice of storage container. These should be Euro Containers measuring 300x400mm (11.7x15.7 inches) in whatever height you require. Suppliers occasionally quote the imperial measurements as 12x16 inches, so double check with the supplier for exact measurements.

Euro Containers come in a variety of heights, colours and configurations. They are available with or without lids, solid or vented, as well as with or without handles etc.

A quick google search "Euro Container" or "KTL Straight Wall Totes" will often reveal a local stockist. Meanwhile here are some suggestions (with links).
